

Kings Ridge is owned by Union Wine Company, a business founded by **Ryan Harms**, a veteran of the Oregon wine industry with a personal passion for well valued wine and a philosophy that good wine can be made more accessible without sacrificing quality.

Ryan Harms

"At the end of the day, wine is just a beverage. And then it becomes part of something greater. It brings people together over a meal, for celebrations big and small. And that's incredibly satisfying to me, and to all of us at Union."

Ryan Harms - Owner and Executive Winemaker

"Making crafted wines from Oregon that are affordable is the challenge we take on here at Union."

When Ryan first ventured to Oregon to test his feet in the wine industry as a curious young harvest intern at Rex Hill Vineyards, he knew he'd be back. And, sure enough, he is.

Ryan has since spent time working for some of the most well-respected Pinot Noir producers in Oregon's Willamette Valley, including Bergstrom Wines, Torii Mor Vineyards and Winery and Rex Hill Vineyards. And now, more than a decade after he got his first taste of Oregon's Willamette Valley, he has established a solid reputation for quality winemaking. Ryan's passion for winemaking and dedication to creating quality wines at a price that anyone can enjoy on a regular basis, led him form Union Wine Company.

"We opened up shop and made it our mission at Union to pay close attention to the details, while leaving the fussy parts behind. By being efficient about everything, from how we set up the winery to how we make wine, we knew we could successfully create that marriage of craft and small-scale manufacturing. We chose the name Union to honor and bring together the diversity, spirit and character of Oregon that we love."

Kings Ridge Pinot Noir

Our flagship Pinot is hard to beat. A combination of rich red fruit flavors with freshness and vibrancy unique to Pinot Noir grapes grown in our beloved Willamette Valley, this wine truly reflects the character of this region. We think the best vintage is pretty much right now, so start sharing with some with your favorite people. Tasting Notes: Raspberry, cherry and chocolate

Kings Ridge Pinot Gris

Our goal with the Kings Ridge Pinot Gris is to make a more richly textured white wine with lush acidity. We carefully choose vineyards in cool parts of the Willamette Valley that have significant daily temperature swings. We believe this helps to give ripeness and concentration to the fruit while preserving freshness and vibrant acidity.
