Vineyards

Underwood Pinot Gris speaks of a journey across Oregon. Sourcing fruit from vineyards spanning the peaks and valleys of the state, this wine is the perfect everyday refresher. We look for sites that give us diversity, low elevation for ripeness and intensity, high elevation for acidity and aromatics. From Walla Walla to the Willamette Valley to the Umpqua, these sites allow us to create this truly Oregon Pinot Gris.

Tasting Notes

Underwood Pinot Gris is a bright and refreshing white wine.. Reflecting the character of the region, this wine was made for relaxed times such as backyard BBQ's and summer evenings. Think lemon, apple & pear notes.

Vintage

The 2014 vintage started off warm, bud break was early, and vineyards went through flowering under ideal conditions. Warm, dry conditions persisted throughout the season and resulted in the warmest summer on record. The unusually warm weather continued into the harvest window as we began to pick under optimal conditions. This was a rare year as both quality and quantity of fruit was very high. The resulting wines are showy with ripe fruit flavors and great concentration.
